The House of Pontovi is honored to share that the team has been selected to design the Dining Room for the 2026 Pasadena Showcase House of Design - One of the most prestigious design clients in the country.

The Dining Room is considered the crown jewel of the Pasadena Showcase House, and we are truly grateful to be entrusted with the incredible meaningful space.

This moment represents our team's craftsmanship, passion, and commitment to soulful luxury - blending custom furniture, millwork, stonework and design into a seamless, fully in-house experience.

My team can not wait to bring our vision to this historic home and create something extraordinary for thousands of visitors to experience.

Thank you Pasadena Showcase House of Design for this incredible honor.

Stay Tuned - the magic begins now!
