House of Pontovi

CONSTANCE FLANIGAN &
CHRISTINA SCHWARZENEGGER

House of Pontovi is known for their ability to design complete interiors while also fabricating custom furniture in-house. The studio brings together interior design expertise and craftsmanship under one roof, offering clients a seamless process from concept to completion. By uniting design and fabrication, Constance, Christina and their team create interiors and furnishings that are made to last, serving as legacies for years to come.
